Why would you like to volunteer with us? What are your hopes / expectations for a working visit to MWC?

Volunteers are really important to us, helping us run our busy community, accommodation and education centre. There are lots of everyday jobs which need to be done in the house, kitchen, gardens and site, so we can't necessarily guarantee you a specific role during your stay - we ask people to help wherever needed and you will usually rotate between areas. However, are there any of these daily areas which you are particularly interested in?

- Gardening
- Catering / Kitchen
- Housekeeping / Laundry
- Site / maintaining the grounds
- Maintenance of buildings
- Admin / Office

Do you have any specialist skills or interests that you would like to contribute to Monkton Wyld?

From time to time we have special projects or can offer opportunities for learning certain skills. Is there anything in particular you would like to learn during your time with us? We can't promise, but we'll try!

Is your working visit for personal interest only, or is it as part of a course / project, e.g. for university or your CV? If so, please give details:

Are you potentially interested in community membership?
